PRESIDENT'S MESSAGE

It was great seeing everybody at the first DFW Stitcher's meeting of 2008. We started off the new year by starting the Christmas Ornament with Kathy Holman, distributing the canvas & starting the rectangles into which each person will put their own designs. Then we discussed possible designs that can go into these rectangles. And that's where the unique character(s ?) of our chapter came through. Kathy brought a variety of magazines to show the possibilities available for the rectangles, & the options are tremendous. I am really looking forward to seeing what everybody stitches.

In my internet searching, I came across a pincushion contest that is open to all. Your pincushion, 4: x 4:, must be postmarked by March 1, 2008. Virtually any variety of handwork is accepted. The potential first place prize is \$500.00. All of the details can be found at <http://www.interweave.com/needle/NWOY/default.asp>. Also, keep the Quest challenge in mind. Full details of this can be found in the September newsletter, which is on the DFW Stitcher's website.

To reiterate, Ruby is continuing to do an excellent job with the website; and we have our www.DFWStitchers.org domain name once again. Yeah! Thank you, Ruby. And Thank You also to Jo, who continues to do an amazing job with the newsletter (when she gets articles, that is). Our thoughts and prayers are with you, Jo! I look forward to seeing as many of you as possible at each meeting.

Happy New Year!

Cynthia Repasky

MEETING LOCATION

We will be meeting Saturday from 10 - 12:00, at the Vanguard Preparatory School, located at the corner of Sigma & Gamma, which is east of Midway & north of 635. There is a light at the corner of Sigma & Midway. It is a small school, so look for the paper-recycling container (gold & turquoise) on the south side of Sigma and turn into that lot.

For a detailed map, you can go to the school's web site, www.vanguardprepschool.com & click "Contact Us".

ABOUT OUR ORGANIZATION...

DFW Stitchers is a chapter of the American Needlepoint Guild, Inc. (a 501(c) 3 non-profit). The American Needlepoint Guild, Inc. (ANG) is an educational, non-profit organization whose purpose is educational and cultural development through participation in and encouragement of interest in the art of needlepoint. ANG defines needlepoint as any counted or free stitchery worked by hand with a threaded needle on a readily countable ground.

Membership in ANG is open to all stitchers, amateur and professional, novice and experienced, and everything in between. The only criteria for membership are a love of needlepoint and a desire to learn more about this popular art. The chapter was chartered in 1991.

We meet the 3rd Saturday of each month at various locations (i.e. city libraries, business offices, schools).
