## PRESIDENT'S MESSAGE

Thanks to Julie Humphrey for hosting a wonderful holiday party! Everybody who attended had a great time, & enjoyed many wonderful foods. We (finally) voted on the Pumpkin – and Kathy Preston won! Linda Lewis & Jo Hopper tied for 2<sup>nd</sup> & 3<sup>rd</sup>. Congratulations to all who entered. I hope everybody had a great holiday season (& that Santa, or whomever, was very good to them). I am really looking forward to this new year. There are many exciting projects on the horizon. (Now, if I could just finish all the new exciting projects I started last year!) Ruby is continuing to do an excellent job with the website. We have our [www.DFWStitchers.org](http://www.DFWStitchers.org) domain name once again. Yeah! Thank you, Ruby. And Jo, who continues to do an amazing job with the newsletter (when she gets articles, that is). Our thoughts and prayers are with you, Jo! Let's start the new year right, & keep up with all the chapter projects. I look forward to seeing as many of you as possible at each meeting.

Happy New Year!

Cynthia Repasky

## MEETING LOCATION

We will be meeting Saturday from 10 - 12:00, at the Vanguard Preparatory School, located at the corner of Sigma & Gamma, which is east of Midway & north of 635. There is a light at the corner of Sigma & Midway. It is a small school, so look for the paper-recycling container (gold & turquoise) on the south side of Sigma and turn into that lot.

For a detailed map, you can go to the school's web site, [www.vanguardprepschool.com](http://www.vanguardprepschool.com) & click "Contact Us".

## PROGRAM INFORMATION

### Kathy Holman

For the January 19 program, you will need to bring 12 x 16" stretcher bars, pencil for drawing on canvas, and tacks. I will provide gray canvas, if you want another color, you will have to bring it. We will be counting out and drawing the outlines of the boxes to be stitched. Bring some metallics from your stash to begin stitching. This is going to be a great project!

### ABOUT OUR ORGANIZATION...

DFW Stitchers is a chapter of the American Needlepoint Guild, Inc. (a 501(c) 3 non-profit). The American Needlepoint Guild, Inc. (ANG) is an educational, non-profit organization whose purpose is educational and cultural development through participation in and encouragement of interest in the art of needlepoint. ANG defines needlepoint as any counted or free stitchery worked by hand with a threaded needle on a readily countable ground.

Membership in ANG is open to all stitchers, amateur and professional, novice and experienced, and everything in between. The only criteria for membership are a love of needlepoint and a desire to learn more about this popular art. The chapter was chartered in 1991.

We meet the 3<sup>rd</sup> Saturday of each month at various locations (i.e. city libraries, business offices, schools).
